

# AQUA TERRA POOL HOUSE

ANNAPOLIS, MD

AIA CHESAPEAKE BAY - RESIDENTIAL ARCHITECTURE

THIS TRANQUIL GLASS POOL HOUSE IS SITUATED ON THE WATERFRONT OF HARNESS CREEK IN ANNAPOLIS. HOMEOWNERS DESIRED A MEDITATIVE REFLECTION SPACE THAT MIRRORED THE SAME AESTHETIC AS THE MAIN HOUSE IT IS DETACHED FROM. THE 12' X 12' GLASS CUBE WITH THREE DISTINCT CLIMATE AREAS IS SEPARATED FROM THE OUTDOOR COVERED DINING AREA BY A LINEAR GAS FIRE FEATURE — TO BE VIEWED FROM BOTH INSIDE AND OUT. EMPHASIZING NATURE AND ITS ELEMENTS WAS A MAJOR COMPONENT IN THIS PROJECT.

ALONG THE BACK SIDE OF THE POOL HOUSE IS A SPA-LIKE GLASS-TILED SHOWER AND CHANGING ROOM CONNECTING TO AN OUTDOOR PRIVATE SHOWER. EACH STONE OF THE CONNECTING BRIDGE TO THE MAIN HOUSE AND POOL WERE INDIVIDUALLY CHISELED TO ACHIEVE A HAND-STACKED LOOK. CUSTOM VANITIES, AQUA BLUE TILED SPA SHOWER AND CLOSET, AND A SITTING AREA MAKE UP THE INTERIOR OF THE SPACE.
